2.01 Information for the project can be found at the following procurement website:

<https://www.civcastusa.com/project/5b91767b0c38b80d5f70757d/summary>

2.02 Prospective Offerors must register with the procurement website as a plan holder, even if contract documents are obtained from a plan room or other site. All official notifications, addenda and other documents will be offered only through the procurement website.

2.03 It is the plan holder's responsibility to determine that a complete set of documents, as defined in Section 00 01 10 – Table of Contents are used in the preparation of a Proposal. Documents are made available for the sole purpose of obtaining Proposals for completion of the project and permission to download does not confer a license or grant permission or authorization for any other use. Authorization to download documents includes the right for plan holders to print documents for their sole use, provided they pay all costs associated with printing or reproduction. Printed documents may not be re-sold under any circumstances.

- 2.04 The proposal tabulation and award notice will be made available on the procurement website no longer than sixty (60) days after the due date of proposals. All plan holders will have access to this information.

ARTICLE 3 – PRE-PROPOSAL MEETING

- 3.01 A non-mandatory pre-proposal meeting will be held for this project at the time and location stated on the cover page. Interested Offerors are strongly recommended to attend and participate in the pre-proposal meeting.

ARTICLE 4 – QUESTIONS REGARDING PROPOSAL PROCESS OR CONTRACT DOCUMENTS

- 4.01 Questions must be submitted using the Question and Answer process on the procurement website. Responses to questions posted on the Procurement Website will be posted on the website by the buyer for the benefit of all Offerors. A response will be posted for questions submitted by end of day September 21, 2018.
- 4.02 A response to a question posted on the website that requires modification of the contract documents will be made by an addendum. Modifications to the contract documents prior to the award of contract can only be made by addenda. Only answers in addenda authorized by the District will be binding. Oral and other interpretations or clarifications will be without legal effect.

ARTICLE 5 – PROPOSAL SECURITY

- 5.01 For Proposals over \$50,000, Offerors must submit an acceptable proposal security in the form of a cashier's check from a responsible bank in the State of Texas equal to five (5) percent of the total amount of the Proposal or a bid bond in the amount of five (5) percent of the total amount of the Proposal issued by a surety legally authorized to do business in the State of Texas, as a guarantee that the Offeror will enter into a contract within fifteen (15) days of Notice of Award of contract. For Proposals over \$250,000, Offerors must submit a bid bond meeting all the above requirements. If successful Offeror fails to furnish the contract and furnish the required bonds as specified in the general conditions within the specified time, the successful Offeror's bid bond will be forfeited.
