

Fort Worth, Texas.
October 25th, 1924.

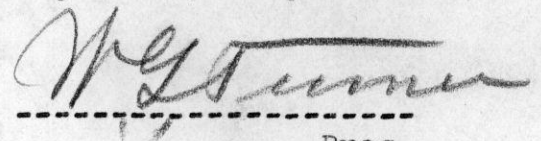

In accordance with program arranged, Mr. S.H. McCrory in company with Messrs., Austin, Bideker, and Robey, inspected two available sites, Ten Mile Bridge and Benbrook.

On returning the Board held a meeting with the following members of the Board present; Messrs., Turner, Austin, Weeks, and Bideker.

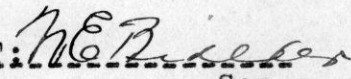

Mr. McCrory at this meeting gave the Board some very valuable advice in forming our organization. The Board expressed their appreciation and sincere thanks to Mr. McCrory for his advice and co-operation.

At this meeting the Board decided to visit Wichita Falls at some future time.

No further business the meeting adjourned, subject to call.
