MINUTES OF A CALLED MEETING OF THE BOARD OF DIRECTORS OF TARRANT COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NUMBER ONE HELD IN THE DISTRICT OFFICE ON SEPTEMBER 17, 1929 AT 10 O'CLOCK A.M.

The call of the roll disclosed the presence of all of the Directors, as follows, viz:

W. R. Bennett

E. E. Bewley

C. A. Hickman

W. K. Stripling

W. S. Cooke

At this meeting the following proceedings were had and done, viz:

The regular meeting of the Board on the First Tuesday in September was not held due to the fact that a quorum of the Directors could not be had.

- 1. The unapproved minutes of June 4th were read and approved; the minutes of meetings of August 5 and 6, 1929, were read and approved.
- 2. Thereupon there was presented to the Board statement of the financial condition of the District showing check vouchers No. 1614 to 1629, both inclusive, for the total sum \$1638.78. These vouchers were for sums now due and payable by the District. Upon an examination of the accounts and vouchers Director Stripling made a motion that the accounts as stated do be approved and that they do be ordered paid by the presented voucher checks. This motion was seconded by Director Hickman. The motion was carried and it is so ordered. The statement of the foregoing accounts is attached to these minutes as "Exhibit A" and is here referred to as part hereof.
- 3. Statement of account by Ireland Hampton for various traveling expenses was referred to the Committee on Legal Matters.
- 4. Director Cooke thereupon presented the written memorandum of agreement of the District with L. P. Card, as Tax Collector. The agreement, as read, is attached hereto as "Exhibit B" and is made part hereof. Director Stripling did move that this agreement be approved as the act and deed of the District and that the same be made of record. This motion was seconded by Director Bewley. The motion was carried and it is so ordered.
- 5. Thereupon there was read to the Directors a letter from Messrs. Burch & Woodruff of Decatur, Texas, concerning the desire of certain persons in Wise County to have a conference concerning a bridge over the District's lake west of Newark, and as well concerning certain other matters in regard to School Districts or Road Districts which would lose taxable lands by reason of the construction of the District's reservoir. After consideration of this letter the Board directed that a letter be written to Messrs.

Burch and Woodruff, expressing appreciation of their spirit of cooperation and further stating that when the proper time has come to consider these matters that they will receive fullest consideration by this Board of Direct-ors.

- 6. Thereupon there was a discussion of the sufficiency of the pledged security of the Texas National Bank. After full discussion by agreement of all members of the Board Director Bewley was directed and authorized to preserve an accord with the Texas National Bank concerning this matter.
- 7. Thereupon there was presented to the Directors the matter of the settlement for land purchased from the Stock Yards National Bank. It appeared that the Directors of the District preferred to purchase this land subject to existing tax claims, and to reserve the amount of such claims out of the agreed purchase price, taking into account, however, the fact that the Directors have agreed that one-half of the taxes for 1928 and the taxes for the year 1929 should not be charged against the Bank in effecting a settlement. After full discussion of the matter Director Cooke did move that Directors Stripling and Hickman do be authorized to effect an adjustment with the Bank and consummate the purchase on the basis of Thirty (\$30.00) Dollars per acre for the land, with interest thereon from June 1, 1928 to September 1, 1929. at 6% per annum, together with such arrangement concerning payment of accrued taxes as may be deemed by this Committee to be for the best interest of this District. Further, that the Committee be requested to procure from the Bank satisfactory evidence concerning the right of the District to have possession of the land as and when required by the District; further, that if there be a tenant upon the land that the Bank procure from the tenant an agreement to attorn to the District. This motion was seconded by Director Bewley. The motion was carried and it is so ordered.
- 8. Thereupon ensued a very protracted discussion of the District's land matters. Mr. G. W. Duke, who has been representing the District concerning the desire to purchase lands in Wise County appeared before the Board and made a detailed statement concerning negotiations and his estimate of values.
- 9. Next after the general discussions Director Bennett did propose, as a policy to be adopted by the District, as follows, viz:
  - "lary accord, at prices deemed by the District by volun-"lary accord, at prices deemed by the District to be reasonable, that such "lands should be in fact purchased with all reasonable dispatch;
  - "2nd: That as to lands involved in the Dam sites and borrow pits,
    "where the same could not be purchased under the case set out in paragraph
    "'1st' above, that the District do as to all such lands institute condem"nation proceedings under the provisions of Title 52 of the Revised Civil
    "Statutes of Texas, relating to 'Eminent Domain':
  - " 3rd: As to all lands required which lands do not fall within the "meaning of the foregoing two paragraphs: That the same do be later acquir"ed by the District under proceedings for condemnation as and when the "District may so order.

After full discussion of this matter, by general assent of the Board, this

pronouncement of the Board was adopted and approved as the policy to be showed by the Board concerning this matter.

10. The reupon there was presented to the Board for confirmation the certificate of the District's levy of taxes for the year 1929. Upon the reading of said certificate it was moved by Director Bewley that an identical copy of said certificate, as written and signed by the District's President and Secretary, do be served by Ed B. Cheatham, on J. L. Wright, Tax Assessor of Tarrant County, Texas, and upon L. P. Card, Tax Collector of Tarrant County, Texas, in the manner provided by law: Further, that these said named persons do be required to acknowledge service of said certificate in the manner provided by law. Said motion was seconded by Director Cooke. Upon a vote being taken, the motion was carried and it is so ordered. One of the three identical copies of said certificate is attached to these minutes as "Exhibit " and is here referred to as part hereof. "

There being no further business, the meeting was adjourned.
