PRESIDENT BENNETT stated that the object of the called Meeting was to consider the proposed qualification of the Continental National Bank of Fort Worth, Texas, to serve this District as its statutory Depository, in accordance with the appropriate provisions of Chapter 25 of the Acts of the 39th Legislature of Texas, Regular Session. Thereupon Director Bewley presented a proposed resolution, which was in words, figures and symbols as follows, viz:

"STATEMENT OF FACTS, CONCLUSIONS THEREFROM, AND ORDERS BASED THEREON.

1.

On February 9, 16 and 23, 1931, this District caused to be published in the Fort Worth Record Telegram Notice for Bids for a Depository for this District. Said published Notice, together with the affidavit of publication is attached to the Minutes of the Meeting of this Board held on March 3, 1931, as "Exhibit A." Said Published Notice is here referred to as part hereof.

2.

June 5, 1933,  
On said March 3, 1931, the Continental National Bank of Fort Worth, Texas, filed its written proposal to serve this District as Depository for the period to begin March 3, 1931, or as soon thereafter as

said Bank may be qualified in accordance with law, and to continue until February 28, 1933<sup>5</sup>, or so much longer as may be required to qualify a successor Depository, which time, however, shall not be later than sixty (60) days next after February 28, 1933<sup>5</sup>. This written proposal agreed to pay interest on the actual daily balances to appear to the credit of this District as follows:

- 1 - On the Construction Fund (Current Checking Account) ... 1 $\frac{1}{2}$ %
- 2 - On the Interest & Sinking Fund Account ... 2 $\frac{1}{4}$ %

Said written proposal of said Continental National Bank appears of record in the Minutes of this District as "Exhibit B," to the Minutes of the Meeting of this Board held on <sup>June 5, 1933</sup> March 3, 1931. Said written proposal, together with the various tenders of service therein stated, is here referred to as part of the Minutes of this Meeting, as though embodied herein: As such it shall form the basis of the contract for the designation of said Continental National Bank as Depository for this District for the term hereinabove stated.

3.

Said Meeting of March 3, 1931, was recessed until March 9, 1931, at which time said proposal of said Bank was declared to be the highest and best bid upon which to base the selection of a Depository. All other bids were rejected and <sup>On said June 5, 1933</sup> said Bank was by order of this Board selected and designated as Depository for this District for the term in said written proposal designated; subject only to the requirement that said Bank would qualify as Depository in a manner provided by law and to be approved by this Board of Directors.

4.

On ~~March 17, 1931~~, the Board of Directors of said Continental National Bank of Fort Worth, Texas, by formal vote of the majority of the Board of Directors of said Bank did ratify and approve the action of

the officers of said Bank, the terms of the written proposal made by said Bank, and did make full and lawful provision for the giving of security by the Depository to this District. A certified copy of the Minutes of the Meeting of the Board of Directors of said Bank is attached to these Minutes as "Exhibit A," and the same hereby is made part hereof as though embodied herein.

5.

Said Minutes of said Bank recite that the par value of the securities now under pledge by said Bank to this District aggregates the total \$735,000.00: That the money of the District on Deposit in said Bank as of March 17, 1931, was the sum \$567,529.01. By said order of Said Board of Directors of said Bank, the official bond and contract of said Continental National Bank, dated March 12, 1930 (approved by this District on March 13, 1930) were ordered to be, and were, perpetuated and extended to cover the period until the expiration of the service of said Bank as Depository for this District as fixed by the written tender of service hereinbefore set out: Said order ratified and approved the continuance in pledge of the securities now held in pledge by this District and aggregating in par value the sum \$735,000.00, as aforesaid. The Directors of this District having verified the same, do now here ratify and confirm the holding in pledge of said securities aggregating the stated sum \$735,000.00, and do approve said pledge as being sufficient security for the said sum \$567,529.01, which is shown by the books of said Bank to be the amount on deposit by this District at the close of business on said March 17, 1931.

6.

NOW THEREFORE, This Board of Directors, upon advice of counsel, are of the opinion that the qualification of said Bank as

Depository, as set forth in said Minutes of the Meeting of the Directors of said Bank, does in all things comply with the law appropriate to the approval of said Bank as Depository for this District for the term hereinabove set out.

Now Therefore, be it ordered as the act and deed of this District:

1. That the qualification of said Bank as Depository do be ratified and approved, as being sufficient in law and that said the Continental National Bank of Fort Worth, Texas, hereby is constituted and established to be the official and designated statutory Depository, to serve this District for the term and upon the conditions of service set forth in the written proposal for service, delivered by said Bank to this District on <sup>June 5, 1933,</sup> March 3, 1931, and as hereinabove set forth.

2. In compliance with the provisions of Section 114, Chapter 25 of the Acts of the 39th Legislature of Texas, it is provided that the selection of said Continental National Bank, as a Depository, and the approval of security to be given by it hereunder, and as ordered herein, shall be final and conclusive; subject only, to approval thereof by the Hon. C. W. Atkinson, the qualified County Judge of Tarrant County, Texas: It is in all things so ordered."

Upon the reading of the foregoing resolution, Director Bewley made a motion that the same be adopted as the act and deed of this District. This motion was seconded by Director Hogsett. Upon a vote being taken Directors Bewley, Hogsett and Bennett voted for the motion; and no director voted against the motion, WHEREUPON said motion was declared to be adopted by a lawful majority of the Board of Directors of this District. Directors Hickman and Stripling were not participating due to the fact that each of them is a stockholder in said Continental National Bank of Fort Worth.

No further business was presented and the meeting was adjourned.

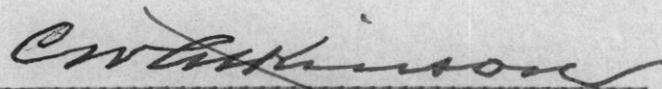

W. T. Stripling

The Board of Directors of this Bank is composed of twenty-one directors, and the foregoing named directors constituted a lawful quorum of said Board.

At this time and place proceedings were had and done as follows, viz:

1ST: The presiding officer of the Board announced that the object of the meeting was to advise the directors that on March 9th, 1931, the Board of Directors of Tarrant County Water Control and Improvement District Number One had selected this Bank as its official depository, subject only to the condition that this Bank will qualify in the manner required by law: In order to effect the qualification of this Bank as such depository, he presented to the directors a proposed resolution which in words, figures and symbols is as follows, viz:

"STATEMENT OF FACTS, CONCLUSIONS THEREFROM, AND  
ORDERS BASED THEREON:

(a) On March 9th, A. D. 1931, the Board of Directors of Tarrant County Water Control and Improvement District Number One (hereinafter called "the District") by its lawful order did select and designate Continental National Bank of Fort Worth, Texas (hereinafter called "this Bank"), as the statutory and official depository for said District, to serve it as such depository from the time and day upon which the Bank may become qualified under the law to serve as such Depository, until February 28th, 1933, or until a successor depository may have been selected and qualified, and not in any event to be for a time longer than sixty days next after said February 28th, 1933: Said selection of this Bank was based on a written tender of service executed by this Bank dated March 3rd, 1931: A duplicate of said tender of service is in the records of this Bank, and the same is here referred to as "Exhibit A," as part hereof, and to the same effect as though embodied herein: Said selection of this Bank was conditioned only that the Bank qualify in the manner required by law, and it now becomes necessary for this Bank to so qualify.

(b) On March 13th, 1930, said District finally approved, selected and designated this Bank as its Depository to serve until February 28th, 1931, or until a successor depository should be selected and qualified, but not in any event to exceed a time later than sixty days next after February 28th, 1931: Said final selection and qualification of this Bank on said March 13th, 1930, was based on two certain written instruments executed by this Bank, on March 12th, 1930, under authority of its Board of Directors as stated in the Minutes of this Board on pages 312, et seq., which instruments are identified and made certain as follows:

1 - A bond in the penal sum \$3,000,000.00, payable to Tarrant County Water Control and Improvement District Number One, which bond by its terms refers to a concurrent "Contract Concerning The Pledge and Custody of Collateral Security," and makes the same a part of said Bond as though incorporated therein:

2 - A contract for the pledge and custody of collateral security to secure the conditions of said Bond, which contract referred to the Bond as part thereof:

Duplicates of said Bond and said Contract are on file in the records of this Bank, and the originals thereof are on file in the records of said District (its Minute Book 12, Exhibits "C" and "D" to the Minutes dated March 13th, 1930): Reference is here made to said Bond and concurrent Contract as part hereof and to the same effect as if the same were embodied herein.

(c) Due to the fact that this Bank now has been selected to succeed itself as the statutory Depository for said District, it has become desirable that the original bond and contract for the pledge of security, and the various exhibits describing the actual securities placed in pledge thereunder, together with the actual securities now in pledge to said District be perpetuated and extended: A schedule describing and identifying the securities of this Bank now in pledge to said District is attached to the minutes of this meeting as "Exhibit B," and the same hereby is made part hereof: The par value of the securities so under pledge is \$ 735000<sup>00</sup> : The total deposit of said District in this Bank as of this day is \$ 567,529<sup>01</sup> .

NOW THEREFORE, BE IT ORDERED AS THE ACT AND DEED OF THIS BANK:

1ST: That, without further notation, or act, said original Bond, the exhibits thereto attached, and said Contract Concerning The Pledge of Collateral Security, do be, and the same hereby are, perpetuated and extended, as the act and deed of this Bank, and to bind this Bank, according to the terms thereof, on, from and after this day, for the full time for which this Bank may serve said District, as a statutory Depository, but not for a day later than April 28th, 1933: The effect of this extension and perpetuation of said Bond and its concomitant Contract for the pledge of collateral security shall be the same as though they had been executed as of this day and drawn specifically to conform to the selection of this Bank as Depository for said District under the

hereinbefore described written bid and proposal of this Bank to serve said District as Depository, dated March 3rd, 1931, and the selection and award based thereon as evidenced by the Minutes of the Meeting of the Board of Directors of said District, recessed from March 3rd, 1931, and held on March 9th, 1931, which here are referred to as part hereof, and to the same effect as though said Minutes were incorporated herein: In proceeding under this order the officers of this Bank shall have full authority to proceed to pledge security, and to withdraw security from pledge as provided by said Bond and Contract without other and further order of this Board of Directors.

2ND: The pledge of securities heretofore made by this Bank under said Bond and Contract of March 12th, 1930, which now remain in pledge to said District (described in "Exhibit B" hereto), hereby is ratified and confirmed as of this day, and to the same effect as though the funds of said District were being this day placed in this Bank as Depository, under said Bond and Contract, and as though said Bond and Contract were being executed as of this day to cover the period for which this Bank is to serve said District as Depository under said selection and award of date March 9th, 1931.

3RD: All appropriate provisions of the law are made part hereof just as though quoted in the body of this Order, and it is the intention of this Board of Directors that the officers of this Bank shall strictly comply therewith: This they shall do without other order of this Board.

It is anticipated that this Bank must place in pledge approved securities to be not less than equal to the amount of money which said District may place, or desire to place, on deposit in this Bank: It therefore is expressly provided that additional Bond may be given by the officers of this Bank and that other and greater security shall be furnished by the officers of this Bank as and when required — These things the officers of this Bank shall do without further order from this Board: The withdrawal and, or, substitution of securities shall be effected in like manner.

4TH: The appropriate officers of this Bank hereby are directed to do any and all lawful things required to conform to the provisions and intent of said Bond and Contract (as perpetuated and extended herein), and to use their discretion therein, and we hereby do ratify and confirm any and all lawful acts

which they may do in the premises, as the act and deed of this Bank — It is in all things so ordered."

Upon the reading of said proposed "Statement of Facts, Conclusions Therefrom And Orders Based Thereon," director J. E. Willis made a motion that the same do be adopted as the act and deed of this Bank; This motion was seconded by director L. H. McKee: Thereupon the motion was put to a vote and all directors present voted for the motion; No director voted against the motion, and the same was declared to be adopted. It is ordered that said Order become a Minute Book record of this Board of Directors; further that a certified copy of these Minutes do be delivered to said District; further, each of the directors present and voting "aye" will sign these Minutes as evidence of his approval hereof, his signature being limited for the purpose of indicating his vote upon foregoing resolution.
