

COMPETITIVE SEALED PROPOSAL

21-028

RC3L VFD COOLING - CONSTRUCTION

The Tarrant Regional Water District (TRWD) is hereby requesting sealed proposals from qualified contractors. The project will consist of the following work as described in general, non-inclusive terms as follows:

1. Removal, relocation, and installation of HVAC equipment and all associated connections (mechanical, electrical and structural). The existing equipment will be de-energized during this project.
2. Sealing wall penetrations that are no longer needed.
3. Refer to Section 15500 HVAC – GENERAL PROVISIONS for additional sequencing requirements.

To comply with current Covid-19 Declarations and to comply with social distancing guidelines, the Tarrant Regional Water District has suspended in person proposal submittals. Sealed Proposals must be submitted electronically via the CivCast procurement site no later than 10:00 am on February 17, 2021 to be accepted. Any submittal received after the aforesaid time, will be not be accepted.

Documents may be downloaded at the following procurement website:
