

## FY2021 Diverse Business Executive 3rd Quarter Summary Report

TRWD's Diverse Business (DB) Report illustrates our commitment to Diversity as we strive to be dedicated advocates for inclusion and participation in our procurement processes. This report describes the District's efforts to ensure minority and women-owned businesses have greater access to our contracting opportunities.

We are committed to promoting full and equal opportunities for all businesses to supply the goods and services needed to support TRWD's mission and operations. In doing so, TRWD encourages the use of certified minority, women owned, disadvantaged, service disabled veteran and historically underutilized businesses through the use of race, ethnic and gender neutral means. It is our policy to accept local, state, and federal certifications.

TRWD strives to include certified DBs when feasible in the procurement of TRWD's goods, equipment, services and construction while maintaining competition, competitive prices and quality of work standards.

Our current DB contracted expenditures totaled \$280,662,406 for a 31% participation.
