

## **FY'22 End of Summer Equipment Auction**

When we have items that have served their purpose and are no longer needed by Tarrant Regional Water District (TRWD), we allow the public a chance to purchase these items. Auction items can consist of: surplus vehicles, heavy equipment, and miscellaneous surplus. We invite the general public to view the available items on <https://www.iso.cc>. This is an online auction site. Those interested in bidding on the surplus items may do so, by registering and participating in the bidding process, until the date and time stipulated. There is no charge to register and participate in the bidding process; however, a 15% premium will be collected by LSOauctions. From the winning bidder(s).

**The auction starts Wednesday, September 14, 2022, at 9:00 am CT and ends Friday, September 23, 2022, at 9:45 am CT.**
