

REQUEST FOR STATEMENT OF QUALIFICATIONS

23-032

IDIQ FOR RIVER ENGINEERING

TRWD is hereby inviting Statements of Qualifications (SOQs) for engineers with river engineering expertise with specific industry qualifications and certifications.

It is recommended that prospective firms consider appropriate teaming as needed so that the professional entity has the ability and resources to offer the level of services required described below. This experience includes, but is not limited to:

- a) River Engineering
- b) Fluvial Geomorphology
- c) Civil and Structural Design
- d) Geotechnical Engineering
- e) Environmental Permitting / Mitigation

Bids for the above referenced project will be accepted by the Tarrant Regional Water District, Purchasing Department electronically via the CivCast Procurement Website until 2:00 P.M. CST, November 29, 2022.

Submittals must be in the actual possession of Tarrant Regional Water District prior to the exact time and date indicated in this Request. Any submittal received after the foresaid time, will be not be accepted.

Documents may be downloaded at the following procurement website:

<https://www.civcastusa.com/project/6356a8a1afab17c4b71b83b2/summary>

Respondents are responsible for obtaining all related documents including but not limited to future Addenda. The District will not be held responsible for failure of the Respondent to obtain all related documents.

The Tarrant Regional Water District reserves the right to adopt the most advantageous response to the Request for Statement of Qualifications and other parts of the Contract Documents, or any applicable Statute or Code.
