### **INTEGRATED WATER SUPPLY PLAN UPDATE**

TRWD is hereby inviting Statements of Qualifications (SOQs) from qualified firms to provide services for the Integrated Water Supply Plan Update.

The purpose is to update the 2014 IWSP by incorporating innovative technologies and new approaches to water supply planning, as well as identifying the implications of changes in political climate, permitting requirements, growing regional partnerships and other factors since 2014.

The ultimate goal of this project is to develop a robust portfolio of water supply options for TRWD with the greatest potential benefit for water supply reliability. The portfolio will also have the ability to adapt as necessary to changing conditions within TRWD's service area that occur due to the numerous uncertainties which affect water demand and water supply options

Bids for the above referenced project will be accepted by the Tarrant Regional Water District, Purchasing Department electronically via the CivCast Procurement Website until 2:00 P.M. CST, January 24, 2023

Submittals must be in the actual possession of Tarrant Regional Water District prior to the exact time and date indicated in this Request. Any submittal received after the foresaid time, will be not be accepted.
