

REQUEST FOR STATEMENT OF QUALIFICATIONS

23-083

POWER RESILIENCE STUDY

TRWD is hereby inviting qualified engineering firms with experience in energy management, energy resilience, back-up generation and solar generation to submit a Statement of Qualification (SOQ) to conduct a multi-phase study. The study will evaluate TRWD's current energy resilience, address back-up generation, and solar generation at identified TRWD pump stations.

Submittals for the above referenced project will be accepted by the Tarrant Regional Water District, Purchasing Department electronically via the CivCast Procurement Website until 2:00 P.M. CST, February 13, 2023.

Submittals must be in the actual possession of Tarrant Regional Water District prior to the exact time and date indicated in this Request. Any submittal received after the foresaid time, will be not be accepted.

Documents may be downloaded at the following procurement website:

<https://www.civcastusa.com/project/63bc73d1afab1763611f582b/summary>

Respondents are responsible for obtaining all related documents including but not limited to future Addenda. The District will not be held responsible for failure of the Respondent to obtain all related documents.

The Tarrant Regional Water District reserves the right to adopt the most advantageous response to the Request for Statement of Qualifications and other parts of the Contract Documents, or any applicable Statute or Code.
