

## INVITATION TO BID

**23-190**

### **EAGLE MOUNTAIN N. SPILLWAY FENCING AND GATE**

TRWD is requesting to have a new fence built at the Eagle Mountain North Spillway. The vendor will provide and construct approximately 170 linear feet of 8' tall security fencing with 2' of barbed and razor wire, for a total of 10' tall. A 1'x1' mow strip will need to be integrated into the fencing. New corner post will need to be set where the old fencing and new fencing meet. One-man gates will be integrated into the fencing for emergency use. A new 20' opening will be made; a 25' gate will need to be fabricated to fit the opening and operate with a Viking H10. New V-track and safety loops will need to be installed. Ground conditions vary from soil to hard rock.

Bids for the above referenced project will be accepted by the Tarrant Regional Water District, Purchasing Department, electronically via the CivCast Procurement Website no later than 2:00 P.M. CT, September 26, 2023.

Bids must be in the actual possession of Tarrant Regional Water District prior to the exact time and date indicated in this Request. Any submittal received after the foresaid time, will not be accepted.

Documents may be downloaded at the following procurement website:
