

It was moved by L. C. Abbott and seconded by H. M. Hightower which motion unanimously carried, that absolutely no publicity be given any newspaper reporter, or any one else as to the status of the preliminary work of the District, by any one connected with the District, whether he be officer or employe of the district, except President of the Board, W. C. Weeks, who is hereby designated ^{to give out} ~~as mouthpiece~~ for any publicity that the Board may deem expedient, ~~to be given out.~~

There being no further business at this time the Board adjourned subject to call of President, W. C. Weeks.

 President.

 Secretary.

Fort Worth, Texas.

September 6th, 1925.

The Board of Directors met on the above date for the purpose of making an inspection trip of the different lake sites as surveyed by the District's Board of Engineers: Present: W. C. Weeks, Chairman, W. E. Bideker, A. L. Baker, L. C. Abbott, and H. M. Hightower: Accompanying said Board of Directors, were Major John B. Hawley, Consulting Engineer; E. F. McMurtrey, Assistant ^Manager Engineer and J. H. Bullock, Assistant Secretary of the Board.

The Board assembled at the Court house from whence the trip started, and from there went, first to the Eagle-Mountain-Dido sites on the West Fork of the Trinity, Then to the Benbrook sites, the Plover Sites, and ending said trip with an inspection of the Arlington sites.
